Travelling Fellowship Spain – fall 2012

Dear Presidents,
Dear Secretaries General,

We are happy to announce the EFORT fall travelling fellowship 2012 which will be held in Spain from **11 to 17 November 2012** and includes the cities of Barcelona and Madrid.

Attached to this letter you will find the preliminary scientific programme including all further information regarding accommodation, social events, meeting points, etc.

We now would like to kindly ask you to nominate your candidate who will be participating in the travelling fellowship **by 31 July 2012 at the latest**. We would appreciate if you sent us her/his full contact information and ask her/him to complete the enclosed master CV (Curriculum Vitae).

By nominating one candidate for the EFORT fall travelling fellowship, you help us achieving our main goal for the fellowships which is:

“To enhance and unify orthopaedic training, continuous medical education and knowledge transfer among Europe.”

The former travelling fellowships were very appreciated by all participating fellows. We think that it is a great opportunity for our young colleagues to create new personal bonds and to improve mutual understanding, collaboration as well as unity of all national associations of orthopaedics and traumatology in Europe.

In our point of view this is an excellent chance for the fellows and it is our duty to support them.
