Useful information

Arrival to Barcelona Airport, on 11 November 2012

You may take any international or domestic flight to Barcelona Airport, which is located 25 km outside the city. From Barcelona Airport, there are bus and train transportation for about 5 euros. You should get off at the Estación de Sans, which is the final station. Then take a taxi from Estación de Sans to Hotel Alimara. You can also take a taxi from the airport directly to the Hotel, which costs approximately 35 euros. No organised transportation will be available since the arrival times of each participant will be different. We suggest the cheapest form of transport which is <http://www.barcelona-tourist-guide.com/sp/aeropuerto/barcelona-aeropuerto.html> or a taxi can also be taken.
