President

Tommaso Bonanzinga (Italy)

President-elect

Jasmin Diallo (Switzerland)

Secretary

Marko Ostojic (Bosnia and
Herzegovina)

Immediate Past President

João Vide (Portugal)

Treasurer

Szymon Czech (Poland)

Dear President of the **Hungarian Orthopaedic Association (HOA)**,
Dear Board Members of the **HOA**,

FORTE, as the European Federation of Orthopaedic Trainees, represents the interests of **European Orthopaedic Residents & Young Orthopaedic Surgeons**, organizes scientific events and give fellowship opportunities to its members. The last years, a **European Orthopaedic Summer School** specially designed for orthopaedic trainees with high motivation to improve their knowledge has been established by FORTE. The **basic** and the **advanced review course** that are organized in the Summer School are helpful for trainees of any stage, either as an annual review/update or as a preparation course for their Orthopaedic Board exams. **Networking, workshops** and **exchange of ideas** between different European countries are also enhanced by the comprehensive social and scientific program that are enclosed.

The previous editions of the **Summer School** demonstrated a remarkable success due to the gathering of many **renowned experts** and more than **100 residents** from **different European Countries**, in a highly scientific and friendly environment. However, this unique scientific event could not be possible without the support of **EFORT**, of all major **European Orthopaedic Subspecialty Societies** (EORS, Eurospine, SECEC, FESSH, EHS, ESSKA, EFAS, EMSOS, EPOS) and most importantly the support of **National Orthopaedic Societies**.

We are proud to announce you the **fourth edition** of **FORTE Summer School** that is going to be held in **Milan (Italy)**, from **July 8th - 12th, 2019**.

As in the previous years, three levels of sponsorship are available:

- 1000€ - one inscription, including accommodation
- 2500€ - three inscriptions, including accommodation
- 4500€ - six inscriptions, including accommodation

We kindly invite your National Society to **participate** to the fourth edition of **FORTE Summer School**. We welcome you to support your Orthopaedic Residents, as well as the international scientific cooperation, through this high-level educational project. For more information please visit our website <http://www.forteortho.org> or contact us at info@forteortho.org.
